

Parent Monitor Duty:

Thank you very much for your assistance in this area...it is a crucial part in helping the rehearsal night to go smoothly! A schedule is attached. If you need to switch with another family, please let me know (office@osyo.ca) after the change is made so I can update the schedule.

Responsibilities

All Groups:

- Arrive 15 minutes before rehearsal starts
- Help set up the room (moving desks, piano, setting chairs)
- Take attendance
- Supervise clean up and help reset the room (desks and chairs put back)

Snacks (Philharmonia and Symphony only)

Parents should bring enough snacks for 60 musicians for Philharmonia or 50 musicians for Symphony, depending which orchestra you are providing for. Parents need to supervise during the break, and clean up after (wrappers straws etc.). Break for both groups is in the main foyer, and usually occurs around 8pm for Philharmonia, and 8:15 for Symphony.

The snack MUST be nut free, and preferably non-sticky. Some suggestions: fruit, granola bars, cookies, vegetable tray, cheese/crackers, hummus/pitas...etc...as long as it's completely nut free. Please do not bring bottled water, as there is a fountain nearby.

Important:

No food / drinks in the rehearsal rooms

No running in the halls, shouting etc.

Thanks again, please contact me with any questions.
